KEVADNÄITUS

Tartu loodusmaja huvikool

Tartu loodusmaja 2020

Siia kogumikku on koondatud Tartu loodusemaja huvikooli õpilaste kevadnäituse tööd.

Eriolukorra tõttu on ka selle aasta kevadnäitus eriline: tööd on valminud kaugõppes ning kahjuks näitust sel aastal füüsiliselt eksponeerida polnud võimalik. Kevadnäituse kogumik annab aga siiski suurepärase võimaluse õpilaste töödest osa saada ning pakub kindlasti rõõmu ja meenutamislusti veel aastaid hiljemgi!

2020. aasta kevadnäitusel osalesid õpilased neljast huviringist:

Loodus kunstis - juhendaja Annika Pakk

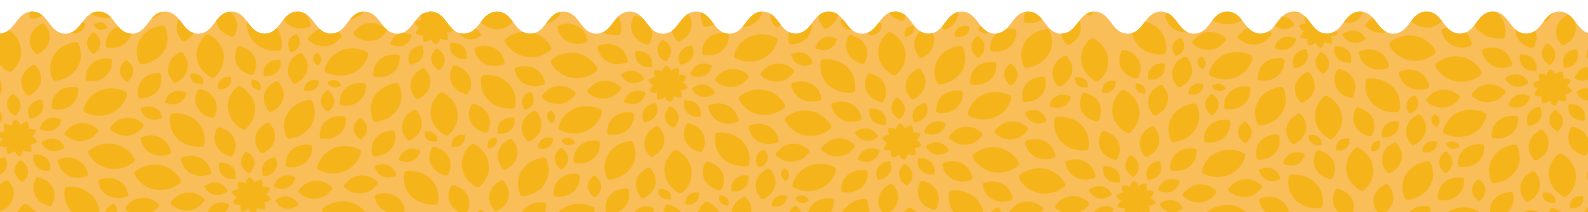

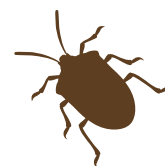

Loodusesõbrad - juhendaja Kai Pungar

Loodusesõbrad - Pille-Riin Pärnsalu

Loomering - juhendaja Ülle Kaasik

Täname kõiki õpilasi ja juhendajaid!
